

CYBERDEFENSES

CAPABILITIES STATEMENT

OUR HERITAGE

Founded in 2001 by a team of returning military, cybersecurity veterans, the CyberDefenses staff is comprised of battle-tested cybersecurity professionals from the Big 5 consulting firms, Fortune 500 companies and the US Military.

OUR APPROACH

We are the only cybersecurity services firm that integrates **cybersecurity oversight, comprehensive managed services and cybersecurity training** to deliver top security services through a modular, scalable business model.

OUR EXPERTISE

Our seasoned staff holds credentials from the NSA, Endeca, SAP - BOBJ, Oracle - OBIEE, Microsoft, Cisco, Linux and several others. Many of our team members also hold Top Secret Facility Clearance.

OUR CLIENTS

We serve the military including DISA and the U.S. Air Force. Two of the top insurance companies and two of the top five oil and gas companies are also clients among state and local governments and many small to mid-sized businesses.
